Podiatry Billing Code

Dear South Dakota Medical Assistance Provider: "Important Message - Please Read"

Effective immediately, South Dakota Medical Assistance will no longer accept procedure code 99070 for the billing of orthotic devices provided in the physician's office. Administrative Rule of South Dakota (ARSD) 67:16: 07 is currently being updated to allow for the billing of the appropriate L code(s) for the applicable orthotic device provided, under coverage guidelines of ARSD 67:16:07:04 and current Durable Medical Equipment (DME) rules regarding prosthetic and orthotic devices.

If you have questions, please call the Telephone Service Unit at 1-800-452-7691. Out of state providers may call 605-773-3495 and ask for the service unit.

Thank you,  
Division of Medical Services
